

2021-2022 Income Appeal

A. Student Information

_____	_____	_____	_____
First Name	M.I.	Last Name	Student ID # (DO NOT INCLUDE SSN)
_____			_____
Phone Number (include area code) or Email			Date of Birth

B. Reason for Appeal

2021-2022 financial aid is based on income from 2019. If 2019 does not accurately reflect your current situation due to **unusual circumstances** you can appeal to use your projected income to determine the student's financial aid.

You may only appeal circumstances that were **outside of your control**. A choice that reduced your income is not a reason to appeal. Examples of this are choosing to change jobs, quitting a job to return to school, changing employment because you moved to a new city, commission based jobs where income naturally changes, etc. Appeals with these or similar reasons will be automatically denied.

Select any reason that applies to your income appeal from below. You may choose more than one:
